**Inset:** 1849-64PH: body leather 986-70 | 1849-54PH: body leather 986-00

## NOTES

- Power mechanisms allow you to smoothly recline to any position and adjust the headrests.
- Two power buttons allow you to operate the reclining and headrest mechanisms independently. A single USB port is included on each power button control.
- The 64PH console features two cup holders and a storage compartment.
- Non-gliding styles feature a lay-flat mechanism that will accommodate occupants weighing up to 300 pounds.
- Safety locks prevent gliding furniture from gliding while reclining.
- Removable backs allow for easy lifting and maneuvering through doorways.

### Home Button

A home button is included on power headrest styles. The home button returns the headrest and footrest to their original positions.

### USB On/Off Button

A USB on/off button is included on power headrest styles. The USB on/off button controls the power to the USB port. When the button is out and its red edge is visible, the port is on. When the button is pushed in and the red edge is not visible, the port is off.
