NOTES

Transitional style  
Available in over 250 select fabrics  
Upholstery Material: Fabric  
Power button includes a USB port  
Available in over 750 fabric options  
Power allows you to smoothly recline to any position, adjust the headrests, and adjust the lumbar supports.  
On styles with arms, a home feature returns the headrest, footrest, and lumbar support to their original positions.  
A single USB port is included on each power button control on styles with arms.  
Power to the USB port is activated only when the port is in use.  
Lower the footrest by applying pressure to it in a downward motion. Lowering the footrest with the handle can damage the recliner.  
Power allows you to smoothly recline to any position.  
Power allows you to smoothly recline to any position and adjust the headrests.  
On styles with arms, a home feature returns the headrest and footrest to their original positions.
